A GOD-CENTERED COMMUNITY
Rev. Kevin Loo

1 CORINTHIANS 1:1-9

As a church we have been talking a lot **about G, C and D - God-centeredness, Community and Disciple-Making.**

In **Community**, we continually reinforce the value where **Everyone Belongs and that we need to Open Our Circle.**

1 Corinthians 1:1-9

Paul is trying to teach us that we are not just any other ordinary community. **We are a God-centered community. Christ is at the core of who we are and everything that we do**

Before Christ, we all live our own lives and do our own things. After Christ, we are grafted into the story of God's salvation. We become part of God's eternal plan where it is not only about us but others as well.

This community is not just a community. **We are a God-centered community.**

So, in our pursuit of being a God-centered community, we want to be:

1) God-_____
We want to encourage and inspire everyone:

- i. **To worship and praise Him**
- ii. **To desire Him is to be close to Him**
- iii. **To obey Him.**

2) God-_____

We honor God by observing Sabbath.

Deuteronomy 5:12-14

We honor God with our wealth.

Proverbs 3:9-10

3) God-_____

A God-centered community is also a God-serving community.
